ARMED SERVICES COMMITTEE
CHAIRMAN

March 26, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Highway 411 Bypass Realignment Project in Fiscal Year 2027. The entity to receive funding for this project is City of Centre located at 635 Armory Road in Centre, AL 35960. The funding would realign US Highway 411 on the north end of the city to connect directly to the existing bypass. The proposed alignment would provide a continuous bypass connection on the north end of the city, matching what already exists on the south end. Work includes roadway realignment, grading, drainage, base course, and paving. The project reduces congestion caused by turning vehicles blocking travel lanes and completes the functional purpose the bypass was originally designed to serve.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
