ARMED SERVICES COMMITTEE
CHAIRMAN

March 11, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Chambers County Rural Health Project in Fiscal Year 2027. The entity to receive funding for this project is Chambers County Rural Health located at Lafayette, AL 36862. The funding would be used for continued operations to fund three years of continued medical services through the OnMed Telehealth Care Station, health and wellness programming, and supplies. The project is an appropriate use of taxpayer funds because this project will allow staffing to coordinate health services delivery as well as renovation of the existing facility to accommodate the Alabama Cooperative Extension Chambers County Office and other health related services.

The project has a federal nexus because the funding provided is in Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
