The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Chambers County 911/EMA Digital Communications System Project in Fiscal Year 2026. The entity to receive funding for this project is Chambers County Emergency Communications District, Inc. located at 3609 Veterans Memorial Parkway (PO Box 66) in Lanett, AL 36863. The funding would be used for the county to upgrade from outdated analog systems to secure digital communications, essential for the safety and efficiency of first responders and the community. The project is an appropriate use of taxpayer funds because effective communication between departments and jurisdictions is critical for public safety, as failure can cost lives.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
