The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lincoln Wastewater Treatment Plant Expansion and Improvements in Fiscal Year 2027, located at 150 Magnolia Street Lincoln, AL 35096. This funding request will support critical expansion and rehabilitation of the City's sole Wastewater Treatment Plant (WWTP). This project is essential to ensuring continued economic growth, public health protection, and regulatory compliance for our rapidly developing region. This project is a good use of taxpayer funds because over the past two decades, the facility has performed exceptionally well in supporting major industrial expansion by Honda, significant residential population increases, and continuous community and commercial development.

The project has a federal nexus because the funding provided is consistent with purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
