The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lee County Sanitary Sewer System Improvements in Fiscal Year 2027, located at 215 South 9th Street Opelika, AL 36801. This funding requests will help with the next phase of a broader infrastructure initiative that will expand the sewer system currently being constructed. When completed, the combined investment will provide critical wastewater infrastructure needed to support future growth in this rapidly developing area of Lee County. This project is a good use of taxpayer funds because this will help develop a proposed new gravity sewer, lift station and force main to serve a portion of the U.S. Highway 280 corridor.

The project has a federal nexus because the funding provided is consistent with purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
