ARMED SERVICES COMMITTEE
CHAIRMAN

March 26, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Clay County Rural Emergency Hospital Upgrades in Fiscal Year 2027. The entity to receive funding for this project is Clay County Rural hospital located at 83825 Hwy 9N Ashland, AL 36251. This funding would help Clay County rural emergency hospital update their current outdated diagnostic imaging equipment with modern imaging equipment to adequately serve the rural community. The equipment required to be replaced are a CT machine, ultrasound machine, nuclear med machine, and C-arm. Without the updated equipment, elderly and rural patients will have to travel considerable distances to more urban hospitals resulting in higher expense for patients. Upgrading the diagnostic imaging equipment will help Clay County Rural Emergency Hospital meet the needs and serve the community to the best of its ability.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".

Mike Rogers
Member of Congress
