ARMED SERVICES COMMITTEE
CHAIRMAN

May 21, 2025

Dear Chairman Cole and Ranking Member DeLauro:

“I am requesting funding for Northbound Coosa River Bridge Replacement Project in Fiscal Year 2026. The entity to receive funding for this project is City of Southside located at 2255 Highway 77 Southside, AL 35907. The funding would be to help with the current northbound bridge over the Coosa River which is outdated and insufficient for the growing traffic and safety needs of the community. The project is an appropriate use of taxpayer funds because This project is not only vital for the daily safety and transportation of our residents, but also for long-term economic development and regional connectivity.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133 (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
