ARMED SERVICES COMMITTEE
CHAIRMAN

March 26, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for East Alabama Health Spencer Cancer Center Expansion project in Fiscal Year 2027. The entity to receive funding for this project is East Alabama Medical Center located at 2501 Village Professional Drive Opelika, AL 36801. This funding would help add approximately 30,500 square feet to the existing Spencer Cancer Center. The addition consists of two floors, approximately 15,250 square feet each. The first floor will incorporate two (2) clinical exam pods, with supporting areas. There will also be a PET/CT scanner with adjacent support areas as well as office space and mechanical space on the first floor. The second floor will provide a new larger infusion pharmacy, as well as five new clinical exam pods. Additionally, four (4) new infusion bays with adjacent nursing stations and supporting areas will be housed on the second floor expansion, adding twenty-three (23) new infusion chairs to the Spencer Cancer Center.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
