Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Gadsden State Community College Campus Security Improvements in Fiscal Year 2026. The entity to receive funding for this project is Gadsden State Community College, located at PO Box 227 Gadsden, AL 35902. The funding would be used to help improve the safety of their students, personnel and campus visitors. These funds would help assist with security equipment, building enhancements for safety and ensure the campus personnel have proper campus equipment to protect the Gadsden State Community College Campuses. The project is an appropriate use of taxpayer funds because it will help increase protection on the Gadsden State Community College for the safety of students, staff, and the security of the areas where these individuals work and learn.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
