ARMED SERVICES COMMITTEE
CHAIRMAN

Congress of the United States
House of Representatives
Washington, DC 20515-0103

May 3rd, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Gadsden Regional Fire, EMA, and Police Substation Replacement Project in fiscal year 2025. The entity to receive funding for this project is City of Gadsden located at 90 Broad Street Gadsden, AL 35901 . The funding would be used to help increase local access to fire and police services in Gadsden.

The project is an appropriate use of taxpayer funds. This initiative will help provide high class care in a rural area in Alabama. This project has a Federal nexus because it is for the purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Rogers". The signature is stylized and fluid, with a long horizontal flourish extending to the right.
