The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Anniston Army Depot General Purpose Warehouse project for the Fiscal Year 2026. The entity to receive funding for this project is Anniston Army Depot Anniston, AL 36201. The project that allows for an interior annex space will include a warehouse administration office, training/conference facility, security office, fire suppression, mechanical, electrical and communications. Administrative areas will be accessible for persons with disabilities. Supporting facilities include site development, all utilities and connections, fire protection, storm drainage, lighting, paving, walks, curbs and gutters, landscaping, and signage. Administrative offices will be provided with heat and air conditioning while the warehouse will be ventilated. The project is important to the district because it will provide Anniston Army Depot with funding to replace a general-purpose warehouse to facilitate crucial logistics functions related to critical weapons and equipment housed at the Depot.

The project has a federal nexus because the funding provided is for purposes authorized by 10 U.S.C. Chapter 169 and the National Defense Authorization Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
