Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Jacksonville State University Law Enforcement Training Center project in Fiscal Year 2026. The entity to receive funding for this project is Jacksonville State University located at 700 Pelham Rd North Jacksonville, AL 36265. The project allows for additional classroom space is needed so that current law enforcement training programs, JSU has identified three rooms that need technology infrastructure and classroom needs. The project is important to the district and thhas become a clear need to create covered outdoor training space to accommodate our students. An outdoor training area for outdoor activities such as crime scene processing, crime scene photography, drone training, and other law enforcement activities that are conducted in an outdoor environment.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
