Dear Chairman Cole and Ranking Member DeLauro:

“I am requesting funding for Northside Water Pollution Control Flow Equalization Project in Fiscal Year 2026. The entity to receive funding for this project is City of Auburn located at 144 Tichenor Avenue Auburn, AL 36830. The funding would be used to support both growing commercial demands and residential demands in the northern areas of the City of Auburn. The project is an appropriate use of taxpayer funds because this project will add sewer capacity in the City of Auburn’s Northside basin, a growing area of the community, and extend the life of infrastructure currently in place.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
