March 26, 2026

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Oxford Exchange Exit Widening project in Fiscal Year 2027. The entity to receive funding for this project is the City of Oxford located at 145 Hamric Drive East Oxford, AL 36203. This funding would help the Exchange Exit on US 431 along interstate 20 in Oxford, AL is a vital corridor to the district. Traffic volume has increased steadily over the last few years, and capacity is limited to the existing bridge. A substantial bridge widening or reconstruction would be helpful to address the capacity issue. This intersection is especially vital to the large retail development in the area, improving traffic flow and efficiency at the interchange. Oxford continues to grow and these intersection improvements will help support the growth of the city.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".

Mike Rogers  
Member of Congress
