Dear Chairman Rogers and Ranking Member Smith:

I am requesting funding for a Paint Facility in fiscal year 2024. The entity to receive funding for this project is Anniston Army Depot located at 7 Frankford Ave, Anniston, AL 36201.

The funding would enable the Depot to enhance current mission requirements and meet future needs, which includes the new Extended Range Cannon Artillery (ERCA) for the M777 and M109 combat vehicles. The project improves the overall efficiencies of current combat vehicle production by improving vehicle process flow. Current painting operations do not allow longer ERCA cannon length when assembled on the Paladin M109 and the M777.

The project has a federal nexus because the requested funding would be for purposes authorized by 10 U.S.C. Chapter 169.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Rogers
Member of Congress
