ARMED SERVICES COMMITTEE
CHAIRMAN

Congress of the United States
House of Representatives
Washington, DC 20515-0103

May 3rd, 2024

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Pell City Wastewater Treatment Plant in fiscal year 2025. The entity to receive funding for this project is City of Pell City located at 1905 1st Ave North Pell City, AL. The funding would be used to upgrade a wastewater treatment plant in Pell City, AL

The project is an appropriate use of taxpayer funds. This initiative will help clean water to the largest city in one of Alabama's fastest growing counties. This project has a Federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Mike Rogers". The signature is stylized and includes a long horizontal flourish extending to the right.
