Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Southside Police Station in Fiscal Year 2027 located at 2255 Highway 77 Southside, AL 35907. The proposed facility will provide the space and infrastructure necessary to accommodate that growth while improving the department's operational efficiency and ability to serve the community. Securing grant funding for this project will allow the City of Southside to invest in public safety infrastructure without placing an undue financial burden on local taxpayers. The project is an appropriate use of taxpayer funds because as the population of the city of Southside continues to grow and develop, the Police Department must have the capacity to add additional personnel in the future. The city can ensure that it remains prepared to meet the safety needs of its residents for many years to come

The project has a federal nexus because the funding provided is consistent with purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Rogers".
